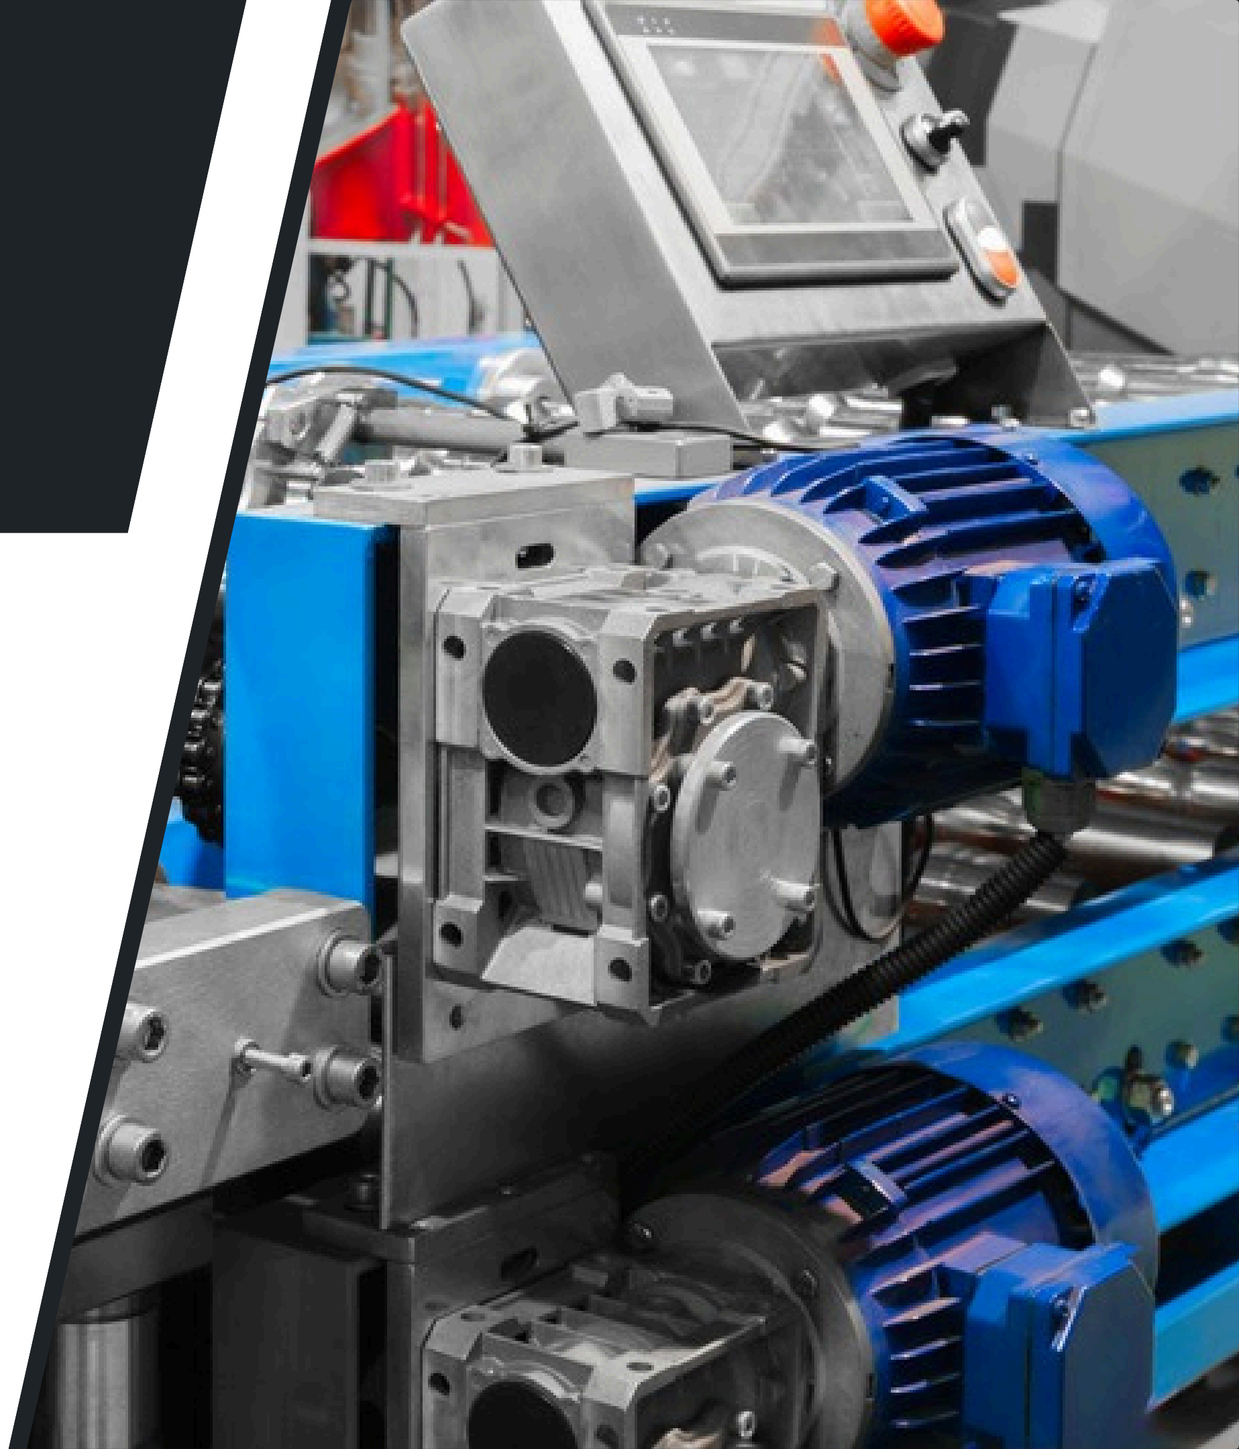
CATÁLOGO DE MARCAS



BCI | Driven by industrial standards.

ALIADOS ESTRATÉGICOS

En *Batiz Control*, integramos un portafolio sólido de marcas líderes en **refaccionamiento industrial** para garantizar continuidad operativa, confiabilidad y desempeño en cada proyecto.

Nuestro catálogo reúne soluciones especializadas para automatización, control, potencia, ensamble, seguridad y mantenimiento, seleccionadas estratégicamente para cubrir las necesidades críticas de la industria.

Cada marca que representamos ha sido elegida por su calidad, innovación y soporte técnico, permitiéndonos ofrecer a nuestros clientes componentes y sistemas que optimizan procesos, reducen tiempos de inactividad y fortalecen la productividad.

Este documento presenta nuestras líneas de producto clasificadas por categoría, facilitando la identificación de las mejores opciones para cada aplicación y asegurando que cada solución esté respaldada por nuestra experiencia técnica y compromiso con el servicio.
