BCI
BATIZ CONTROL INC.

CERTIFICATION.
ISO 9001:2015 / NMX-CC-9001-IMNC-2015

WELDING IN COMPLIANCE WITH AWS STANDARDS.
Structural Welding for Carbon Steel in accordance with AWS D1.1

BCI® IS A REGISTERED TRADEMARK IN MEXICO.
(IMPI Reg. No. 2528261).

COMPANY PROFILE

At Batiz Control Inc., we enhance your operational efficiency through integrated solutions in manufacturing, industrial automation, technical supply, and specialized services. Our work is backed by certified quality standards and a continuous-improvement approach, ensuring reliable results, superior performance, and full compliance with your operational requirements.

VALUE POINTS

- Results-driven solutions.
- Rapid response.
- METALFAB expertise.
- Engineering-led improvements.
- Resource optimization.
- Operational continuity.
- Proven cost savings.
- Turnkey projects.

📍 Vialidad Futura 488 & 530 Cormoran Industrial Park Saltillo, Coahuila, ZIP 25016.

🕐 Monday to Friday, 8 a.m. to 6 p.m.

Driven by industrial standards.

Manufacturing

- Laser cutting.
- Bending.
- Component machining.
- Welding.
- Shot blasting.
- Zirconium pretreatment.
- Powder coating.
- Metal structure fabrication.

ISO 9001 2015 EMPRESA CERTIFICADA

Spare Parts & Services:

- Supply of multi-brand spare parts.
- HMI equipment repair.
- Control board repair.
- Device maintenance.
- Electrical maintenance.

Automation & Engineering:

- Refurbishment.
- Technical support.
- Design engineering.
- Obsolete system migration.
- Equipment & machine integration.
- HMI & SCADA programming.
- PLC programming.
- FANUC robot programming.
